Dear Mr. Braxton

RE: South Lisbon Valley
Mine
Act 037/018
San Juan County, Utah

I am assuming that with the changes in the Division staff, that I direct this letter to you. I previously worked closely with Tom Tetting on the 1982 reclamation of our South Lisbon Valley mine.

In a letter dated July 31, 1984 (copy enclosed) Tom advised me that one more growing season was required in order to release our bond, which has now past, thus, the reason for this letter.

I am enclosing some representative pictures taken May 8, 1985 showing the success of the revegetation program. Sufficient time has elapsed (3 growing seasons) to now release our bond, i.e., Investment Certificate No. 71672 in the amount of \$2700.00.

You should have all the information in our file however if you need help, please let me know. Also, if you would like someone from our office to assist you on your inspection, please advise.

Sincerely yours,
MINERALS RECOVERY CORPORATION
